UCLA- CENTER FOR POLICING EQUITY (CPE)

Los Angeles, CA

Associate Director

February 2016- August 2017

- Led Department of Justice funded National Initiative for Building Community Trust & Justice Project aimed at improving relationships and increasing trust between communities and the criminal justice system and advance public and scholarly understandings of the issues contributing to those relationships
- Developed training on implicit bias and identity- threats in collaboration with trainers from Chicago Police Department (CPD) and New York Police Department (NYPD)
- Developed a pre-post assessment of the training in collaboration with the Urban Institute
- Conducted a full pilot of the implicit bias training with participation from trainers and command staff from both NYPD and CPD, representatives from the Office of Justice Diagnostic Center, and researchers from Yale's Justice Collaboratory and the John Jay College of Criminal Justice
- Developed and led a weekly web course on the science of bias in preparation for Train the Trainer
- Co-facilitated a Train the Trainer of the implicit bias curriculum, with Dr. Phillip Atiba Goff for 8 law enforcement agencies
- Coordinated and led fidelity checks and peer exchanges to observe and provide feedback on each of the pilot departments' customization of the curriculum prior to department-wide roll out
- Produced messaging and communications to influence the national discourse on community policing and police-community relations
- Adapted the implicit bias training into a community-based tool for law enforcement and community engagement
- Organized and hosted public forums to train community-based advocates and law enforcement trainers on the adapted training curriculum
- Carried out the training materials to interested researchers and external law enforcement agencies

- Participated in coordination of UK-US Law Enforcement Exchange Conference in collaboration with the Open Society Justice Initiative Fair and Effective Policing Project
- Represented CPE on the W.K. Kellogg Truth, Racial Healing, and Transformation Law Design Project
- Created and managed project budget, timeline, and deliverables, including quarterly grant reports

Project Coordinator

October 2013 – January 2016

- Led racial equity-related projects for St. Louis County Police Department and Toronto Police Service
- Planned, developed, and implemented protocols for multi-site research projects concerned with race, gender, and social justice in the context of policing
- Produced quarterly and annual technical reports for sites
- Coordinated data collection and organized and archived secondary data from multiple police departments
- Maintained regular communication with faculty, police departments, and staff to complete projects in a timely manner
- Trained teams of 15 research assistants in data collection, data entry, and data cleaning procedures
- Coordinated with the Institutional Review Board (IRB) to ensure the protection of human research subjects
- Drafted grant proposals and interim and annual grant reports
- Prepared manuscripts for submissions, including literature reviews, proofreading, formatting, and responding to editor's notes
- Coordinated schedules between first and contributing authors to ensure writing deadlines were met
- Managed media inquiries and edited and disseminated press releases to relevant parties
- Interfaced with stakeholders from all levels of academia, law enforcement, government, and philanthropy

SAN DIEGO STATE UNIVERSITY
