Probation Policy: Please read and sign below

All majors must a) maintain a 2.0 GPA in all upper and lower-division courses taken for the major, and b) satisfactorily complete all prerequisites. Students whose GPA calculation falls below a 2.0 and/or who do not satisfactorily complete all prerequisites will be placed on departmental academic probation for the following semester. A student on probation will be subject to dismissal from the major if the major GPA is not brought up to a 2.0, and/or if they fail to satisfactorily complete all prerequisites by the end of the following term. Questions concerning the probation and dismissal policy may be directed to the undergraduate advisors. Once dismissed from the major, students are expected to work with an L & S advisor in order to pursue an alternate major.

Declaring With the Last Prerequisite(s) In Progress

We allow students to declare the Sociology major as soon as they have enrolled in their last prerequisite(s) on TeleBears. Students must have a minimum 2.0 major and cumulative GPA. Once a student has enrolled in the necessary prerequisite they are **NOT** allowed to drop it. Newly declared majors' schedules will be reviewed periodically. If we find that a student has dropped a prerequisite after declaring the Sociology major, that student will be officially dropped from the major through L&S. They will not be allowed to re-apply to the major until all of their prerequisites are successfully completed. Bottom line: Once you declare, you must complete your prerequisites as scheduled, or you will be dropped from the major, and barred from declared status for TeleBears registration until you have satisfactory grades posted in all of your prerequisites.

Please sign below, stating that you have read the above stipulations regarding your declaration status while completion of prerequisites is in progress.

I understand that once I have enrolled in my last prerequisite(s) and have declared the Sociology major, I am not allowed to drop these prerequisites from my schedule. If I do so, I will be officially dropped from the major, and will not be permitted to declare until all of my prerequisites are completed.
